What Is the "St. Mary's Difference?"

Support for the *entire* vocational life cycle.

St. Mary's is so much more than seminary formation. It is a partner for the Diocese of Wilmington throughout a priest's vocation:

It is the McGivney House of Propadeutic Formation in Downtown Baltimore where the first steps of discernment are taken. ... It's a special curriculum track for seminarians focusing on ministry in Hispanic communities. ... It is 400 years of Sulpician experience in priestly formation. ...

It is St. Mary's Ecumenical Institute providing advanced theological study for a variety of ministers. ...

And it's the Center for Continuing Formation offering programs for bishops, priests, deacons, and lay ecclesial ministers.

From young men discerning the priesthood to The Center's popular "New Pastors Program" to a yearly conference/retreat for retired, or soon-to-be retired, priests embracing their "third act:" St. Mary's serves the entire vocational life cycle.

The St. Mary's Difference.
